

Hello, Bella, are you ready to go skating?

Sorry, Hugo, skating slipped my mind. I'm going to the playground with Cressida.

Cressida?

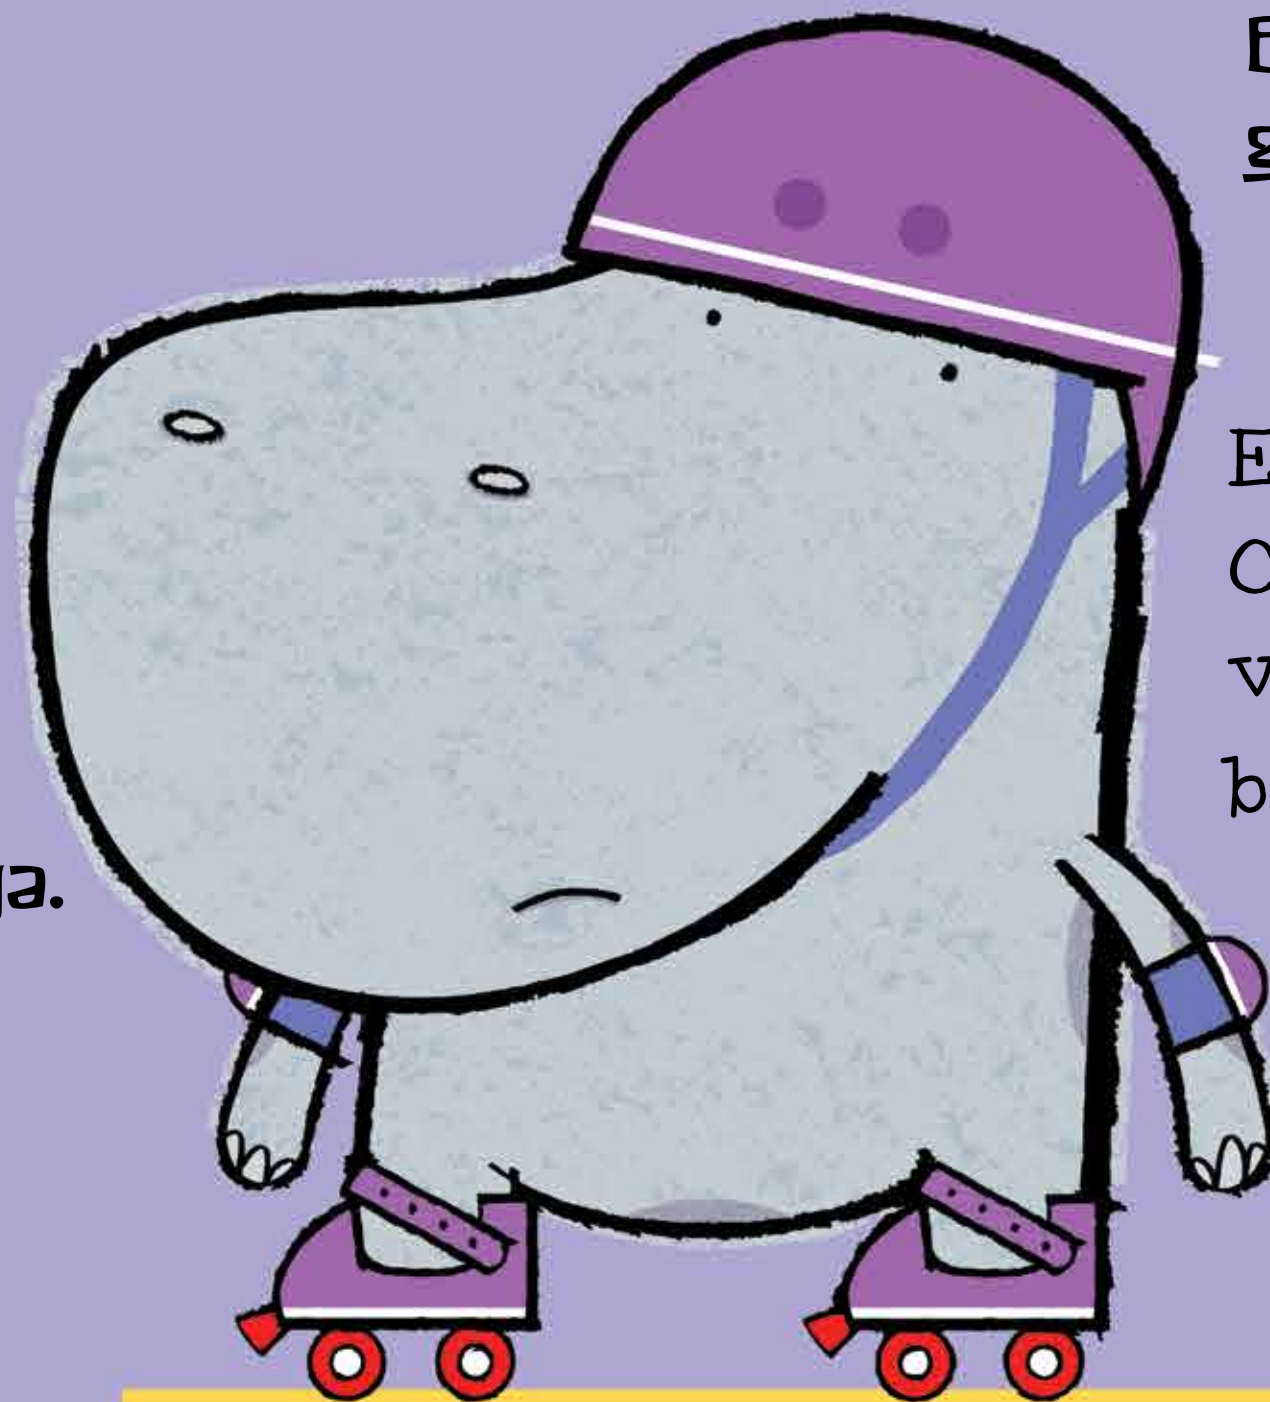

Yes, Cressida.  
She's my fabulous  
new friend!

**Halloo!**

Um, hiya.

But Bella, we *always*  
go skating together.

Embrace change, Hugo.  
Come to the playground  
with us. It's bound to  
be fun with Cressida  
around.
