A DOG'S BEST FRIEND

## Foreword

When I started posting daily dog cartoons on Facebook in March 2012 I had no idea they would become so popular. Off The Leash now has fans all over the world and my first book *The Secret Life of Dogs* is being translated into several languages. I receive huge numbers of messages from dog owners around the globe, and also many from people who don't have any pets at all, and what constantly strikes me is the enormous love we all have for our four-legged friends. Not only do we love them with a passion but we often find them extremely funny too, as dogs can be so comical in so many different ways. Alongside the usual cartoons, *A Dog's Best Friend* includes new pencil drawings of dogs and their owners, reflecting the special relationships we have with our friends. I hope you will find some of that love and humour reflected in this book.
