Can you solve the quest of the Enchanted Forest?

Inside this book is a wonderful inky woodland full of curious creatures waiting to be discovered and coloured.

Find your way through ferns and flowers, magical tree houses and thorny vines to the castle at the heart of the forest.

Hidden throughout the book are nine symbols carved into square tablets. Find the symbols to unlock the castle door at the end of the quest and discover what lies within!

Use the Enchanted Forest key at the back of the book to help you keep track of the other things you find along the way.

Good Luck!
