

Oh.

Okay, everyone, let's start today's class. Use the microscope to —

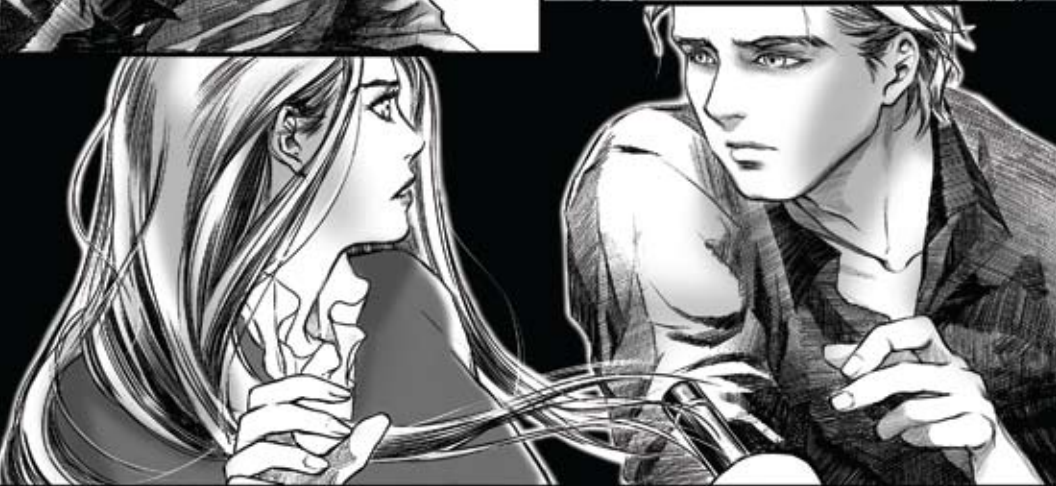

...Do you mind if I look first?

Did you...

...get contacts?

*His fingers were ice-cold...*

...I'm sorry.

*...but more than that, it stung my hand as if an electric current had passed through us.*

.....  
It's prophese.

No.

Oh.

I thought there was something different about your eyes.
